THE NATIONAL ACADEMY OF TELEVISION ARTS & SCIENCES
PACIFIC SOUTHWEST CHAPTER

presents

Emmy® 2021

The 47th Annual
Pacific Southwest Emmy® Awards

honoring excellence in television in the Pacific Southwest
including San Diego, Las Vegas, Palm Springs, Bakersfield,
Santa Barbara, San Luis Obispo and Santa Maria

Friday, June 4, 2021

Virtual Gala
and Emmy® Awards
Welcome to the 47th Annual Pacific Southwest Emmy® Awards! We’re celebrating excellence in television and media across our chapter – San Diego, Las Vegas, Palm Springs, Bakersfield, Santa Barbara, San Luis Obispo, and Santa Maria.

It’s been a challenging year and a half. While we’d hoped to have this year’s event in-person, our show is virtual again for the second year. We’re looking forward to seeing all of you in person next year.

Like an in-person event, this virtual awards gala requires a lot of planning and work. I’d like to thank our dedicated Emmy® Awards committee and our Board of Governors, as well as our production crew, the presenters, volunteers, and judges.

We had a robust number of entries this year – 960! The entries were judged by TV and media professionals from our peer NATAS chapters around the country. Each year, we work collaboratively to provide each other with qualified, experienced and professional peer judges, which helps ensure the quality and integrity of our awards.

We’re committed to supporting our members, and the TV and media community at large. This past year, we’ve leaned on and supported each other more than ever. That’s one of the many reasons I encourage TV and media professionals, as well as students, to become members of the NATAS-PSW chapter. In addition to the Emmy® Awards presentations, we have a Scholarship Program, as well as Workshops. We also host a Silver Circle and Gold Circle celebration, honoring TV and media professionals with 25 and 50 years in the industry, respectively, who also have given back significantly to the community and our chapter.

The Emmy® Award is considered the most prestigious award a television professional can receive. I congratulate all of tonight’s Emmy® Award nominees and recipients.

Please follow us on social media @natapsw and tag us #TheEmmysPSW.

Kristen Castillo
President, NATAS Pacific Southwest Chapter
The Purpose of the Annual Emmy® Awards
The Purpose of the Pacific Southwest Emmy® Awards is to recognize excellence in the television industry in the San Diego, Las Vegas, Palm Springs, Santa Barbara, San Luis Obispo, Santa Maria and Bakersfield television markets.

Emmy® Award statuettes are awarded for outstanding achievement in television programming, public service and promotional announcements, commercials and their associated crafts.

Rules of Emmy® Eligibility
To be eligible for an Emmy® Award, entries must have been distributed to the general public via broadcast, cablecast, or broadband. Broadcast entries must have been produced for the Chapter’s designated awards area and must have had their first transmission in that awards area during the eligibility period.

Entries may not have been entered in the Emmy® Awards of another chapter of the National Television Academy or in the National News & Documentary or National Sports Emmy® Awards.

Emmy® Judging Procedures
All entries were judged outside the Pacific Southwest region. This year we are indebted to panels of industry professionals in the New York, Mid-America, Mid-Atlantic, National Capital Chesapeake Bay, Suncoast, Ohio Valley, Boston/New England, Rocky Mountain Southwest, Heartland, Northwest, Chicago and Lone Star Chapters of the National Television Academy. The rules specify that the same group of peer judges views all entries in a particular category. Programming and spot announcement entries are evaluated on content, creativity and execution. Individual craft entries are evaluated on creativity and execution.

Each entry is judged solely on its own merits according to each judge’s personal standard of excellence. Entries are not in competition with the other entries in the category. The composite scores for each entry determine nominees and Emmy® Award recipients. There may be one, more than one or no award in a category. All nominees can take pride in knowing that a nomination for an Emmy® Award is in itself an honor.
Our many thanks to:

Tim Austgen, CPA

Tim tabulated this year's Emmy Award results and provided his professional tax services to the Chapter over the past year.

Tim provides tax preparation and consulting services to individuals and businesses from his La Jolla office.
